We are three non-profit social service organizations who provide Supported Employment services to people with disabilities in New Jersey.

It is our goal to raise money to be able to continue our efforts of helping people with disabilities to obtain and retain competitive employment in their local communities. Through these fundraising efforts, we also strive to raise awareness and provide education about this untapped workforce and the talents and abilities of such a wide range of candidates who wish to be successfully employed.

Join us while we enjoy our walk through the mall. Route Options to accommodate everyone, you can stroll, roll or power walk, you decide. Walkers will receive a **'Walk for Work' T-Shirt**, **refreshments** and an **Event Book filled with COUPONS** for the stores at Bridgewater Commons and other local retailers!
